### P.A.S.S. Meeting #4

- Rabbi Noach Oelbaum agreed to give his Haskama to different organizations that deal with parental alienation.
- If anyone has connections with Fay Zakheim, Zecharia Wallerstein, YY Jacobson, Krulla Rebbe, Boyaner Rebbe, Skulener Rebbe and Rebbetzin, please let us know. We're looking to set up meetings with these individuals and to create awareness about parental alienation.
  
- Some people mistake kindness for weakness.

- We have to be ready to take certain actions that are very counter to our essence and beliefs. Not always are we ready.
- We need our children more than they need us.
- Sometimes it's about disconnecting with love....
- Some kids don't want to hear our stories, news, or updates (and some kids do). Some kids want to talk about themselves or not talk at all.
- We're fortunate that we have "A child" to discuss at this group. (Some people don't even have a child.)
- Our relationship with our kids is like a rollercoaster. We need to expect the falls so that the blow is cushioned somewhat.
- When trying to give your child a gift, get a gift card instead of an actual gift that the child might dislike. A Visa card, Amazon card...
